## Paediatric Surgeon

SPECIALIST NETWORK

### About Dr Thompson

Dr Richard Thompson is a highly experienced paediatric surgeon who has extensive expertise in managing children with gastrointestinal and colorectal disease. He relocated from the UK to the Gold Coast in 2015 to begin his career as a specialist paediatric surgeon at the Gold Coast University Hospital.

Since then, Dr Thompson has performed medical services that include both minimally invasive and open surgical modalities. Since his arrival, families on the Gold Coast have gained unprecedented access to comprehensive paediatric surgery services locally. Furthermore, Dr Thompson performs surgeries at Pindara Private, John Flynn, and Tweed Hospitals.

### Areas of Expertise

- Open, Laparoscopic, Thorascopic & Endoscopic Modalities
- Tongue Tie/Lip Tie
- Antenatal Counselling
- Neonatal Surgery
- Undescended Tests
